WELCOME

Thank you for downloading our eBook and being here!

Hi! I'm Sarah, the creator and founder of KnittingWomen.com and I am excited you have chosen to download our eBook.

I created KnittingWomen.com back in 2013, in an effort to create a website for avid knitters, sharing the top resources, free patterns, and tutorials available online. So whether you're a beginner, intermediate or expert knitter, you can find the best knitting resources online!

We cut through the noise, to bring you only the best resources. Which is why today I am sharing with you my very favourite 24 amigurumi knitting patterns, which you can download absolutely free!
